80mm Comms

The compact and elegant Punto 80mm Comms module eliminates the need for big and bulky desk surface data units.

PERIPHERAL OPTIONS

CHROME EFFECT BEZEL

The unit is fitted with a stylish Chrome Bezel for a neat and stylish finish.

AESTHETICS

Available in black, grey or white.

USB SMART CHARGER

The dual port USB smart charger can detect connected Apple®, Android® and Windows® mobile devices whilst providing fast charging. It supports sleep mode charging for most Apple® products and is compatible with USB 2.0 and 3.0 portable devices. A maximum, overall current of 2.1A is available for the dual USB ports.*

ULTRA SLIM

The Punto sits almost flush with the work surface and takes up a minimal amount of space.

LOCKING RING

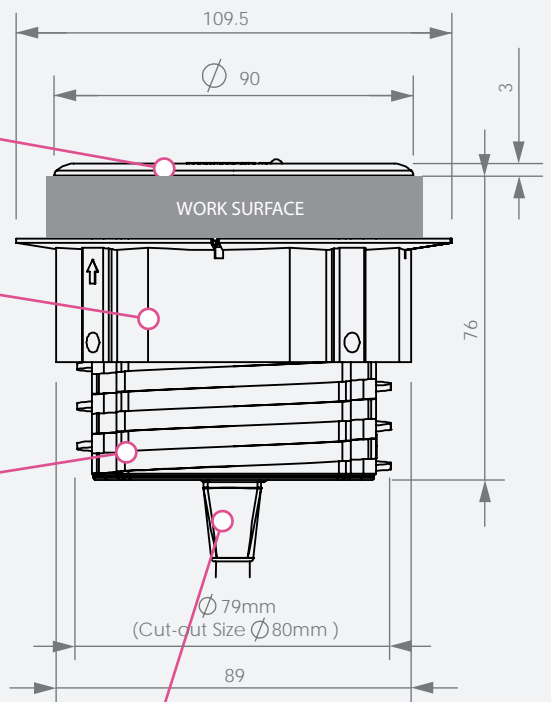

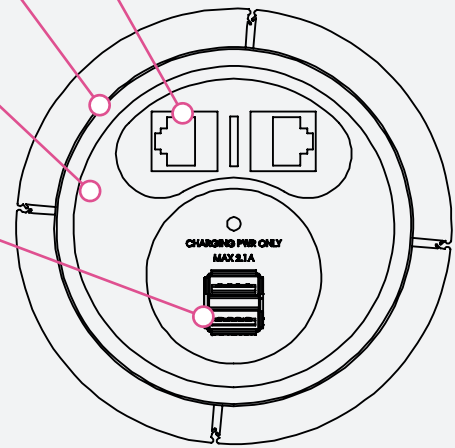

A locking ring secures the unit firmly in position, but also allows for easy removal for retrofitting or relocation.

LARGE BOLT THREAD

The desk collar has been engineered for strength with an easy-to-screw thread which aids in quick and easy installation of the unit.

CABLE STRAIN RELIEF

The strain relief is installed as a standard, and greatly reduces the stress on cables exiting the unit, resulting in a longer life span.

*Please note that Power Logic in no way endorses these brands. Apple®, Android® and Windows® are Proprietary Trademarks of Apple®, Google® and Microsoft® respectively.
